What is happening?

ENVIRONMENT AGENCY Water Resources Act 1991 (as amended by the Water Act 2003)

Notice of application for a full licence to abstract (take) water

Hills Quarry Products Limited has applied to the Environment Agency for two licences. The Environment Agency is giving notice of this application, in accordance with Section 37 of the Water Resources Act 1991 and Regulation 6 of the Water Resources (Abstraction and Impounding) Regulations 2006. The application is for a full licence to abstract water for mineral washing and a transfer licence for dewatering from Airfield Quarry, Galley Leaze at National Grid Reference SU 11247 97763.

The full application is to abstract water for mineral washing as follows:

22 cubic metres an hour

527 cubic metres a day

52,691 cubic metres a year

between April and March inclusive in each year.

The transfer application is to abstract water for dewatering as follows:

215.6 cubic metres an hour

5173 cubic metres a day

1,888,145 cubic metres a year

between April and March inclusive in each year.

The water will be used for dewatering to enable mineral extraction and mineral washing and other processes on site.

Please contact us via e-mail or use the number below to arrange to see the application documents. Send any representation about this application by email, quoting the name of the applicant and reference numbers **NPS/WR/042407** and **NPS/WR/042408** to the Environment Agency, at: **PSC-WaterResources@environment-agency.gov.uk** by **24th October 2024**. For advice about how to make a representation call **03708 506 506**.
